

**Script Editor, Silverprint Pictures,  
12 Month FTC - London, Waterhouse Square**

Are you a creative and dynamic script editor looking for your next opportunity? Do you want to join the successful team behind some of Britain's most popular series; Vera, Shetland and and new series Dark Heart?

Silverprint Pictures has an exciting opportunity for a Script Editor to join the team.

With proven script editing experience you will be working on a combination of production and development, in conjunction with senior members of the editorial team.

The ideal candidate will have existing script editing credits, or trainee script editing experience and strong writer relationships. You will possess exemplary knowledge of production processes, demonstrate a strong creative and administrative ability together with excellent organisational skills.

You'll have an eye for detail, a passion and knowledge of television drama and you will be a strong team player.

If you have the skills above, then we would love to hear from you.

We continue to work hard to make meaningful changes to make sure ITV continues to welcome diversity, celebrate individuality and support an inclusive working environment.

Closing date for applications: 25th November 2018
