About the Placement Organisation

Turning Lives Around is a Leeds based charity established in 1977. We work with people who are homeless by providing supported accommodation and floating support in the form of emergency 24 hour hostels, small group homes, shared houses and single tenancies across Leeds. We provide 1-1 support; each person works closely with an individual keyworker to address any barriers preventing their move onto independent living. Our aim is to work towards a planned sustainable move on and to support people's well-being, integration into their local community and aspirations towards education, training and employment. Our target beneficiaries are;

- People aged 16+ who are homeless or at risk of homelessness
- People whose lives are chaotic due to complex needs or dependence on drugs and alcohol
- People who need support due to mental health issues
- People with a history of offending
- Women and children at risk due to domestic abuse and violence
- Care leavers and young people at risk

Purpose of the Placement

This paid placement is funded through the STEPS programme and aims to support Leeds residents who are over 25 years old and long term unemployed (unemployed over 12 months and over) develop their confidence and work skills within diverse sectors with supportive employers within a 6 month fixed term period. *Eligibility terms and conditions apply.

Participants will be working for 25 hours in a paid role. In addition they will be required to undertake 5 hours of paid personal development training which will include either volunteering within your paid placement or with another organisation or undertaking some training or courses.

Work Skills Development Opportunity

Service User Support

- To provide appropriate and high quality support to individuals in a range of ways that meet identified needs.
- Undertake a key worker role
- Undertake comprehensive risk and needs assessments, support plans and reviews with Service users centred on their needs. Devise support plans that will meet desired

outcomes.

- Support service users to achieve their individual goals in line with the service remit, with a key focus on maintaining their accommodation
- Help service users to gain the skills they need to live independently, develop resilience and to respond to and manage issues around their housing themselves.
- Promote positive approaches to Health and Wellbeing
- Understand 'duty of care' and take appropriate action at all times.
- Devise appropriate move on packages for those individuals who are ready to exit the service
- To ensure that service users are safe from harm and abuse at all times by adherence to and promotion of Beacon's safeguarding procedures.

The role is to work in the Beacon Leeds service with people who have been homeless and may have complex support needs.

Beacon provides supported housing in 3 communal environments and a variety of single and shared community accommodation throughout the city. The post holder will train to work with and support individuals living in this accommodation to develop the skills they need to help them move on from the service and into their own independent tenancies. The work also involves supporting people to undertake meaningful occupation such as employment, education and training or volunteering.

The post holder will work as part of a team of support workers providing support to a people living in an Intensive Support Environment (ISE). Acting as keyworker to a small caseload of clients the intensive support worker will agree the goals their client wishes to achieve and will work with the client to develop the support plan needed to achieve these goals. Full training in all aspects of needs and risk assessment, support planning and risk management will be given.

Personal Development

Further training and experiences may be gained as appropriate.
